A mockup of a 'Sign In' screen. It features a white rounded rectangle centered on a light gray background. At the top, the text 'Sign In' is displayed in a large, dark blue font. Below this, there are two input fields. The first is labeled 'Email' in a small, dark gray font, and the input box contains the placeholder text 'Enter Email' in a light gray font. The second is labeled 'Password' in a small, dark gray font, and the input box contains the placeholder text 'Enter Password' in a light gray font. Below the input fields is a large, rounded magenta button with the text 'Sign In' in white. At the bottom, the text 'Forgotten Password' is shown in magenta, followed by the text 'Don't have an account? Sign Up' in dark gray, where 'Sign Up' is a magenta link.

We appreciate your cooperation and are confident that this upgrade will provide a more streamlined and efficient experience.

Thank you for your attention.
