

Yellow Flag week continued... Wednesday 19th & Thursday 20th

Announcements

On Wednesday 19th Mowahedah Saifi from Afghanistan told us about how long she had been living in Tallow and her admiration for Kofi Annan.

On Thursday 20th Yaroslav Andreiev told us about his life in Ukraine and sadly how Russian soldiers occupied his house for many months.

Colouring in Religion

Well done to students who took part in mindful colouring the many different quotes we researched for Yellow Flag week.

SPHE Diversity class

We asked all SPHE classes to come up with a Diversity Code for Blackwater Community School. We have received some fantastic examples of work already and we look forward to more coming before the week is out.

Mr Murphys class

Ms Ahearnes class

3B Diversity Code

Discrimination is a no

Include all people so

Very important to understand

Everyone is different on our land

Recognise culture

Support one another

In this school you have to remember

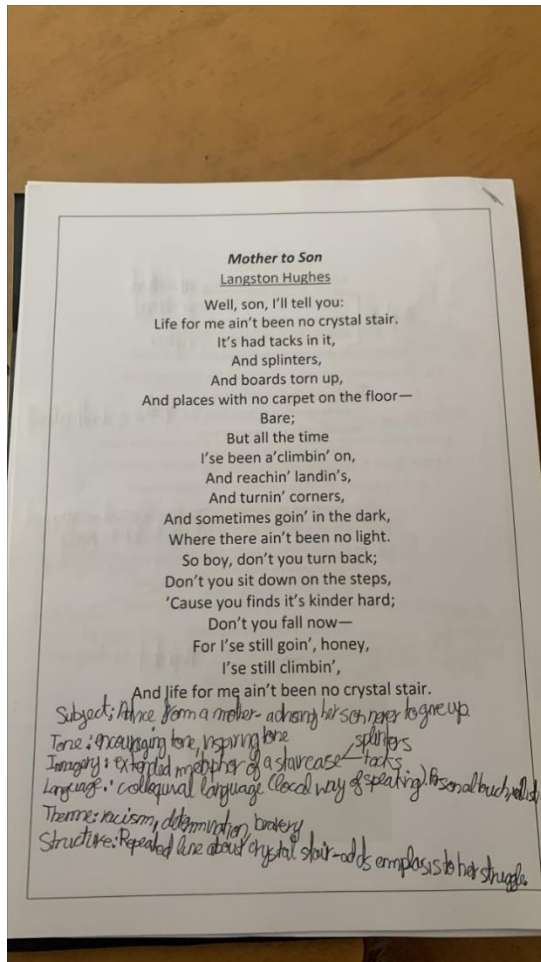

Through and through we stick together

You and I are equal forever

Class based work

Teachers have been doing great work in class discussing issues and themes surrounding the work the Yellow Flag does.

Ms McKay English Class studied a poem by African American poet Langston Hughes

In class Mr Giles used a Random Country Generator, and each student went to the board to be randomly assigned a country. Each student then had to use a laptop to do research on that country and design a display on their findings.

Friday Activities to round off the week

1. Morning announcement - Sonia Ohonba
2. At main break we will have music, a quiz and spot prizes for students upstairs in the new building outside the Yellow Flag Diversity Tree.
3. After lunch we will host a pizza party for the Yellow Flag Diversity committee in the music room to celebrate a successful Yellow Flag week and to thank the committee for their continued hard work. Some students will be performing as part of this celebration.
4. Kahoot quiz - I am attaching a link for a Kahoot quiz for Yellow Flag. We are asking teachers to do this quiz during last class Friday afternoon. This quiz is optional of course but we would encourage as many classes to participate as possible to finish the Yellow Flag week with a bit of fun!

*"When everyone is included,
everyone wins."*

Jesse Jackson
