Internet Safety Talk for Parents
7.30 PM | Tuesday, Oct 3rd, 2023

As most young people kick back into their school routine, now is a good time to talk about life online and the challenges it poses for so many parents and their families. Join Avril Ronan, Trend Micro Ireland host, parent and internet safety expert who will explore those challenges and the benefits of the online world, when used responsibly. Expect practical advice, top tips, and live demonstrations of popular app settings.

➢ **FREE Event**: teachers, parents, and guardians of kids, tweens, and teens all welcome to join.

➢ **Duration** 1 hour followed by 30 minutes of Q&A time (All your questions answered!)

➢ **Register to Attend** Zoom from a PC, Mac, iPad, iPhone, or Android device: https://www.trendmicro.com/internet-safety/eventsie

About Trend Micro's Internet Safety for Kids and Families Program (ISKF) Today's youth are exploring the internet and new technologies now more than ever. That's why Trend Micro is passionate about promoting and encouraging its benefits, possibilities, and most importantly, its safe use. Since 2008, Trend Micro's global ISKF has reached almost 4 million parents, educators, and youth worldwide. ISKF; a global initiative funded by Trend Micro delivers free internet safety sessions to communities, reaching students, parents, and educators everywhere, through its employee volunteers. The goal is simple: empower youth, parents, and teachers online, delivering educational programs where they're needed most. A robust series of online programmes including our kids Cyber Academy https://www.trendmicro.com/internet-safety/

About Trend Micro Founded in 1989, Trend Micro, a global cybersecurity leader, helps make the world safe for exchanging digital information. Fuelled by decades of security expertise, global threat research, and continuous innovation, our cybersecurity platform protects hundreds of thousands of organizations and millions of individuals across clouds, networks, devices, and endpoints.
