Committed to quality education

Dear Parents and Guardians,

Starting on January 20th, our 5th Year and TY students will engage in the Relationships and Sexual Wellbeing Module as part of their curriculum. The module has been designed to provide students with a comprehensive understanding of various aspects of relationships, sexuality, and gender, empowering them with the knowledge and skills necessary for making informed decisions and promoting healthy interactions. This is an important part of our commitment to holistic education and ensuring that our students are equipped to navigate the complexities of the modern world.

Throughout this module, students will explore the following topics:

- Healthy relationships
- Consent
- Gender culture and social norms
- Abusive and violent relationships
- Sexual health

If you have any concerns or questions about the content or approach of this module, please do not hesitate to reach out to us. We value your input and are here to address any queries or worries you may have.

Sincerely,

Senior Cycle RE Department
