FINDING STUDENT ACCOMMODATION

ACCOMMODATION TYPES

- UCC Campus Accommodation

- Private Rentals
- Owner Occupied Homes (Digs)
- Stay with Friends/Family members

TIPS

- **Be proactive** – start your search for accommodation now
- **Be flexible in your approach** – consider all accommodation types
- **Do not rely on accommodation lotteries** – there are no guarantees
- **Know the area** - visit the campus and surrounding area
- **Know the costs** - have a plan in place to pay your rent and any deposits necessary
- **Do not discount a bus journey to campus**
- **Consider commuting** if you live within 45km from campus
- **Know your rights** – check out the rtb.ie website for tips on renting as a first-time student
- **Your safety is paramount** – if you are uncomfortable, keep searching
- If you get a late offer for UCC, **consider short term accommodation** (Hostels/B&B etc.) while you continue your search

BEWARE

- **Always view the property in person** and make sure the key works before you pay a deposit
- It is recommended that you only **consider private rentals from landlords registered with the 'Residential Tenancy Board'**
